

Kingdom Kids

Sunday Morning Team Covenant for Teachers and Helpers

Purpose

To assist parents with teaching their children to KNOW God, not just about Him, but having a personal relationship with Him. Encouraging them to INVITE other children to know Him also. To teach and show by our example DEVOTION to God in prayer, bible reading and worship. Then to equip them for works of service (as in Ephesians 5). To help them discover their gifts and to know how to SERVE Him through teamwork.

- I covenant today to join with the Kingdom Kids team in fulfilling our purpose as stated above.
- If I am a teacher, I covenant to serve faithfully each week for the season(s) agreed upon in the schedule. If I am a helper, I covenant to serve the teacher in the classroom for each of the weeks agreed upon in the schedule or to find a replacement should unforeseen circumstances arise.
- I covenant to pray for the children in my class each week.
- I covenant to prepare adequately for each lesson, giving my best to the Lord and showing excellence to the body.
- I covenant to be in my classroom 30 minutes before it commences, and to abide by the guide rules given for that age group.
- I will be in the prayer room to pray before going to my classroom.
- I covenant to be at all training events provided for me, and to listen to the training tapes with enthusiasm!
- I know the drill in case of fire: 1-2 yr olds down front stairs with staff help, 7-9 yr olds go out of welcome center and all others down the back stairs. Teachers and helpers upstairs help get nursery babies also.
- I covenant to leave the room clean, neat and ready for the next class.
