First Sunday Service In New Facility Last Sunday

What a memorable day! The Staff agreed today in our staff meeting how well everything went including our trek from Midtown to the new building. Thank you to EVERYONE who helped us move last week and those who worked hard in making the first Sunday in our new home so wonderful.

We are happy that Emmanuel Community Church joined us at our Midtown celebration! Our beloved "car dealership" will now be their church where they will carry on God's work.

Be sure to watch the YouTube video that is linked on the Christ Community FaceBook page to see clips of the day.

"It's A Breeze" Fan Drive

Outreach is collecting fans to be distributed to the elderly and handicapped in our community without the benefit of air conditioning. We found simple box fans at Wal Mart and Lowe's for under \$20. You may drop off fans at the Outreach Kiosk in the new Welcome Center.

"Wrap Them Up In Warmth" Blanket Workshops

Starting this month we will begin making blankets to distribute to those in need this winter. Fleece fabric is on sale in the summer...so go ahead and purchase fabric now (1 yard per blanket of "60 wide fabric) and you will be ready when workshops begin next month.

Magnolia Manor Bingo Needs

Magnolia Manor Bingo Prize needs are body wash, lotion and air freshener. The nursing home requires that all items are full size (not samples or hotel size.) You may drop items in the collection box at the Outreach Kiosk.
